## Certificate

Dermatest GmbH certifies hereby that the Cosmetic product

### **SYNERGETIC Natural anti-cellulite cream for body elasticity**

was evaluated for skin tolerability by means of epicutaneous testing on 30 subjects with sensitive skin under the control of dermatological specialists and according to international guidelines.

**Study number 2211288205**

In less than 10 % of the subjects, mild transient skin reactions were detected in the test area following a single product application.

Therefore, from a clinical-dermatological point of view, the product was tolerated

**„excellently“**

and can be declared as **„dermatologically tested“**.

Based on the study design and the confirmed skin tolerability, the Dermatest® guaranty seal can be assigned for use for the test product.

The seal contains the month and year (02/23) of the testing
